

Privacy policy Oxydent B.V.

The information we may collect:

You do not have to provide Oxydent B.V. any personal information to use most of this website.

However, you may choose to do so on various sections of our website, including:

- Availability function (we need your e-mail address)
- Order or Quote function (we need the requested details to be able to make a quotation or process your order)

How we use your personal information:

- Oxydent B.V. will use your information to process your orders and inquiries, to improve our service and for administration.

We store your details:

- In our e-mail (such as Microsoft Outlook 365)
- In our administration program (such as Exact Online)
- In our telephone (number and name)
- On our server, only basic login info and login analytics are stored for the Dealer portal.

Third parties that may store your details after you have placed an order with us:

- Government (tax administration, import and export documents)
- Transportation companies (transport documents)
- Insurance company (if needed and only after your consent)

How we use your personal information:

Oxydent B.V. will use your information to process your orders and inquiries, to improve our service and for administration.

Oxydent B.V. will not pass your personal information on to anyone else without your prior consent.

Your rights and responsibilities

- It is your responsibility to ensure that your personal details are accurate and up to date and to inform us of any changes that need to be made.
- You have the right to request details of the information Oxydent B.V. holds about you upon written request.¹
